## 2024 FAITH SCHOLARS FOR ACADEMIC EXCELLENCE

This year, the FAITH Endowment awarded 94 university scholarships to the brightest and most accomplished graduating high school seniors within the Hellenic-American community. Founded in 2004 to celebrate and inspire excellence within the next generation, this series of special merit-based scholarships are awarded to graduating high school seniors who demonstrate exceptional achievements in education and extracurricular activities, leadership within the Greek community and a commitment to volunteerism and charitable works. This year's recipients join a network of over 850 FAITH Scholar alumni from across the U.S. who share the desire to make a difference in their communities and build a better world.

We are pleased to announce the 2024 FAITH Scholars for Academic Excellence and wish them well in their studies.
